Is your home hard to heat in the winter?

The **Warm Homes, Clean Air** project for Oakridge and Westfir matches rural residents with funding programs that help with the cost of home repairs and heating system upgrades, whether you are a home owner, mobile homeowner, renter or landlord. Assistance is available for:

- Thermal windows
- Duct sealing
- General weatherization
- Roof repairs
- Storm doors
- Electrical system upgrades
- Oil, propane, electric and wood heat system upgrades

Save money, save time, be safer, be warmer!

**Public Workshop**

**Saturday, January 28, 2006**

**Middle Fork Ranger Station**

9:30 - noon

Learn about available grants and low-interest loans that will help you make your home warmer, less expensive to heat and more energy efficient!

Application forms for the program will be available at the workshop. Program representatives will be there to answer questions and provide assistance.

For more information about the workshop, call 782-2258.

Free refreshments and door prizes!

Sponsored by the Warm Homes, Clean Air Partners
