

Emissions Based on Continuous Monitoring System Data

FORM F1106

1. Facility Name	2. Permit No.
------------------	---------------

3. Assessable Emissions Data:

	a _____	a _____	a _____	a _____
(See page 13 of instructions)	b _____	b _____	b _____	b _____
	c _____	c _____	c _____	c _____
e. Monthly Totals	d _____	d _____	d _____	d _____
January				
February				
March				
April				
May				
June				
July				
August				
September				
October				
November				
December				
f. CMS Subtotal				
g. Total Operating Time (hours)				
h. CMS Downtime (hours)				
i. Actual Data Availability (percent)				
j. 90th Percentile (lb/hour) [need only if CMS data availability is < 90% of operating time]				
k. Emissions During Downtime (tons) [this is zero if CMS data availability is ≥90%]				
l. Total Emissions (tons)
