Dear Mr. Dietrich,

J.H. Baxter requests a three-month extension of time to submit our Source Testing rReport that is required under the Cleaner Air Oregon Program due to LRAPA on February 8, 2022. An extension is needed to secure additional funds to complete the lab testing and development of the report.

J.H. Baxter & Co. looks forward to working with LRAPA to finalize the Source Test Report. We hope you will consider the extension.

Sincerely,

A handwritten signature in black ink that reads 'Georgia Baxter'.
