Public Affairs staff continue to work with the Oregon Department of Environmental Quality (DEQ), Oregon Health Authority (OHA), local community members, and others to engage the community in meaningful ways. To answer and address concerns related elevated levels of dioxins collected in dirt samples along roadways in a neighborhood near J.H. Baxter & Co. The fourth community engagement meeting that involved members of the Bethel Neighborhood took place in on March 3rd. Public Affairs gave an overview presentation on Cleaner Air Oregon. The next upcoming meeting is Wednesday April 7th. LRAPA public affairs plans to discuss our Air Toxic monitoring around J.H. Baxter. These meetings are in preparation of a larger public meeting on J.H. Baxter & Co. in the late spring/early summer of 2021.
